Message From Mr Dower

Wow, where has January gone? We have had an amazing month, with our Year 6s having a fab week at Hindleap, numerous school visitors, lots of exciting art projects, plenty of sports clubs and fixtures and even a dusting of snow! The evenings are getting lighter (just about), the weather will soon heat up and we have plenty to look forward to in the coming months, keep your eyes peeled.

Please fill in our School Smart Phone Survey

Year 1 enjoyed tasting and describing different fruits. These fruits were the same fruits from their class story Handa's Surprise. Some adjectives that were collected were ripe, juicy and squishy.

Year 5 were busy creating some model solar systems. They worked in teams and created some stellar designs

Year 1 are showing they are champions during their gymnastic lessons. Champions are still, silent and can point their toes. They were able to use the apparatus safely and show narrow movements.

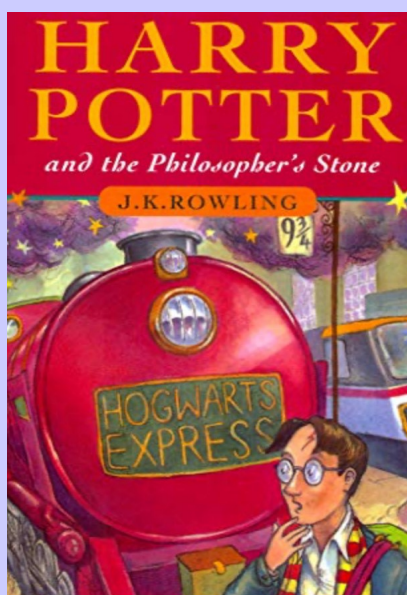

Upcoming Dates :

17.2.25 Half Term

24.2.25 Children Return to School

In year 5 - we are becoming Magicians, creating potions and potions inspired by a young Mr.Potter

Hindleap

Hindleap was like a dream, we had snow and it was so much fun. We went swimming in the mud, we flew down the zipline (whilst singing Wrecking ball!) and went all the way to the top of the See Saw.

We didn't sleep much but we survived!
